EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Reeser, III, Attorney of Record, on November 2, 2005.

The application has been amended as follows:

In the Specification:

In paragraph 29, line 5, "110" (first occurrence) has been changed to -- 100 --.

In paragraph 29, line 8, "100" has been changed to -- 110 --.

In paragraph 30, last line, -- at least -- has been inserted after "is".

In the Claims:

In claim 3, line 2, "that" (first occurrence) has been deleted.

In claim 3, line 2, "that" (last occurrence) has been deleted.

In claim 4, line 3, "at least" has been deleted.

In claim 14, line 2, "at least" has been deleted.

Claims 19 and 20 are canceled.

Art Unit: 3745

The above change to the specification has been made to provide antecedent basis for original claim 4, for example. The above changes to claim 3 have been made to correct informalities. The above changes to claims 4 and 14 have been made to clarify that one layer has the claimed thickness. Claims 19-20 have been canceled because they depend on a canceled claim. During the above telephone interview, it was agreed that Applicant would submit a Replacement Sheet of drawings for figure 7, changing reference numeral "50" to -- 110 --. This Replacement Sheet has been received.
